Monday, November 18th

8:00 am **Registration- Gateway Foyer**

10:00 am **General Session (All Attendees)-Gateway 1 and 2 Room**

Louis Meyer: Welcome Session

Louis welcomes all attendees to FPBA and provides details for the upcoming days.

10:30 am **General Session (1 Hour and 30 minutes)-Gateway 1 and 2 Room**

Louis Meyer: Success Principles

Anyone can dramatically improve their performance and results – with the right tools and support. Yet most people have never learned the time-tested self-empowerment strategies and performance principles that are the basis for personal and professional success. If you're ready to take your life to the next level, the Success Principles is the opportunity you've been waiting for.

12:00 pm **Lunch (Vendors Open Until 2:00)- Gateway 3 and 4 Room**

2:00 pm **Breakout Sessions (1 Hour and 30 Minutes)**

Monique Lily: Eye Designs- Missouri Room

This face painting workshop is all about making the perfect lines, teardrops, blending, flowers and placement on the face. Combining these techniques, you can create the most beautiful eye designs.

Eye designs is great for all ages... beautiful for a first face painting because it's so small and delicate and can be done fast and we can sell (and use) as extreme makeup for teenagers and adults. Great for sweet sixteen or any other festival or party in clubs.

Shannon Holt: Rainbow World Class- Gateway 1 and 2

I will show you how easy it is to make your own plastic palate in this class, and paint like a pro with just a few colors. Learn how to use watercolor techniques on the skin! After this class, you will be able to add waterproof options to your arsenal, no airbrush needed! This class is perfect for those students who love to paint on canvas or paper! Learn WHY it is so important to be on top of your game by offering the waterproof option to your potential clients in all four seasons.

Andrea O'Donnell: Airbrush Stenciling for All!— Manchester Room

Have you been wanting to learn how to airbrush, but don't know where to start?

Do you own a bunch of great stencils, but have a hard time achieving that crisp, clean pattern or design with a messy sponges & daubers?

Are you worried about the expense and hassle of adding an airbrush system to your kit?

Well worry no more! This is the class for YOU!

In this part demo/part hands-on class, multi-award winning makeup artist, face & body painter and Bad Ass Stencils' creator Andrea O'Donnell will show you just how easy it is to add awesome airbrushing to your skill set without spending thousands of dollars, without lugging around a giant toolbox, and without the frustration of trying to learn by the "trial & error" method. Adding airbrushing to your services = More Value = Higher Demand = Better Gigs = Higher Rates = More Money for YOU!! It's a win-win all around! And it's way easier than you think! All Levels Welcome, No experience Necessary!

Balloons-Dale Campbell: Make Mine a Combo- Clayton Room

Dale will be teaching his new balloon Headband/Muzzle combos for fun photo booth opps.

These will include seasonal themes, as well as ideas that can be used year-round. This will be a hands-on class using techniques for intermediate to advanced twisters.

4:00 pm

Breakout Sessions (1 Hour and 30 Minutes)**Marianne Bartley: Under the Sea- Manchester**

There is a world of beautiful creatures beneath the waves. Sharks and dolphins are two of the most popular. Learn how to make them quickly, how to place the most effectively on the face, arm, or leg... And how to make them adorable or fierce. But there is so much more! Whales and narwhals, seals and walruses, starfish and anemone, octopuses and seahorses! Truly a vivid garden beneath the sea... Let's explore a few of the denizens of the deep. Come prepared to paint and discover new designs!

Heather Green: Fantasy Fun!- Gateway 1 and 2

Dragons, mermaids and mythical fun

Elisa Griffith: Powder Power Class— Missouri Room

Come and have fun with powders! In this awesome class Elisa Griffith will teach great techniques for working with her powders, or any other powders you can find. Powders are a great alternative to paint when it's hot outside and they are amazing for so many things! From eyeshadow, to face painting base,contouring and stencil work! This class will show you how to maximize your use of them! So come join Elisa for this exciting class!

Balloons-Bauldy: Bigger and Bigger- Clayton Room

I'm looking forward to showing all of you the wow factor by using your balloons in a big way. I will be teaching you to make large productions with your balloons that will add lots of entertainment and increase your revenues and popularity at events. You will be in demand and he will interact by using the art of balloon twisting. The creations include balloons of different sizes.

Thursday, November 21th

9:00 am Breakout Sessions (1 hour and 15 minutes)

Andrea Nicole Moje : Dips One Stroke Holiday Faces— Gateway 1 and 2

I will be teaching how to use dips to create beautiful one stroke Roses and holiday designs. Each design will be a on the job 5 -10 min design. Breaking down placement the application on how to use dips off off a mixing mat. I will go over supplies that will make your job easier.

We will include bling and glitter to impress your holiday clients!

I will supply :

Dips to practice
Mixing mat
Brushes
Soap
Alcohol for cleaning

If you already have a water proof kit please bring it to class.

This will be a participation class and you will be expected to paint on your arm, face ,leg or a class member.

Shannon Holt: French Filigree Lace Arm Art- Missouri Room

Earn big bucks at themed events for the elite, as you add high end, non-nude body painting designs to your repertoire. Learn how to gracefully adorn the wearer to make them feel like a Million Bucks! This elegant, and swan like lace only takes moments to apply with a little practice. Whether you are hired outright to provide a service at the event, or you are painting arm art a la carte, your tip jar will be overflowing with abundance! Practice + Script + Confidence = fun making money with adults!

Kim Brennan: Fun-TASTIC Florals— Manchester Room

Breaking down different floral elements for use in feminine flowing designs that are make all the ladies want one when creating at a festival or party gig! Large and impressive or small and delicate, you will be able to customize your bouquets! Roses in 'tattoo' and Gulf style and the ever popular hibiscus will be broken down into elements so you can build them up! ! Creating stunning floral 'arrangements' in henna lends itself well to more illustrative face and body painting too when you incorporate those same lines and design building techniques. Let's create some beauty that they won't soon forget!!!

This class requires the students to bring paper and pen, practice henna or they may choose to follow along or video tape. Suggested that students take a 'Mixing basics' class before this class- mixing questions will be relegated to end of class (as time allows) or jam room.

Balloons-Diane Cross: Bracelets and Headbands- Clayton Room

Fast, simple, and cute animals for bracelets and headbands. They work with most top prints. This allows for minimal artwork. This class will cover favorite fast designs. Also be sharing a few cool tips and tricks picked up at the other 40+ conventions I have attended!
